Parking Instructions
for Groups

IMPORTANT! Parking has changed.

Parking permits required
Monday-Friday, 8am-5pm

Share with all drivers.

If arriving by autos/minivans:
1. Park in Seymour Center LOT 201. (Park in LOT 206 if LOT 201 is completely full.)
2. Do NOT pay at the parking machine. Parking is included with your visit.
3. Your group leader should check in with a staff member at the admissions counter. Tell us how many drivers in your whole group need parking permits.
4. After receiving parking permits, the group leader distributes permits to all drivers to place on their dashboards, before rejoining the group.

If arriving by bus:
1. Buses should unload your group in front of the Seymour Center, in the Drop Off Area.
2. No bus parking is permitted in any lot on the Coastal Science Campus.
3. Bus drivers must park on Delaware Avenue, just outside of the Coastal Science Campus.

Thank you for following these instructions. The Seymour Center does not have the ability to reverse any citations issued by parking enforcement.

Questions? Please call in advance.
