Prospective Volunteer Information Night and After-Hours Shopping

Wednesday November 28, 2018
6:30-8 PM

LEARN MORE ABOUT BECOMING A VOLUNTEER

• Join us to hear about upcoming training opportunities and the exciting benefits of volunteering
• Come talk with current volunteers and staff educators
• Join us for all or part of the evening
• Training begins mid-January 2019

6:30-7 PM  Explore the Exhibit Hall and talk to current volunteers
7-7:30 PM  Short presentation about volunteer opportunities
7:30-8 PM  Question and answer session with staff and volunteers

ENJOY CONVENIENT AFTER-HOURS SHOPPING

• Dive into great holiday gifts, all the while supporting ocean conservation
• The Ocean Discovery Shop is open throughout the evening

The Seymour Marine Discovery Center is dedicated to educating people about the role scientific research plays in the understanding and conservation of the world’s oceans. The Seymour Center is part of Long Marine Lab located on the UCSC Coastal Campus.

100 McAllister Way
Santa Cruz, CA 95060
