

## Pre-Approved Event Caterers

Listed are caterers that have worked with us before and who are familiar with our policies and use guidelines. They are suggestions only. Seymour Center does not endorse any caterer.

Note: If you wish to use a caterer not included on this list, you will need approval from the Facility Rentals Office in advance of booking them for your event. Caterers providing on-site service must submit a Certificate of Liability Insurance that meets the University's requirements and sign a Catering Policies and Guidelines Contract prior to approval.
